Vision

The vision of the GCCF is to improve the prosperity of the community through education and personal growth.

About

The Grove City Chamber Foundation was established by a group of members from the Grove City Area Chamber of Commerce who sought to improve the educational opportunities of our community through financial assistance.

The foundation embodies all that the Grove City Area Chamber of Commerce strives to promote: education, growth, community, and success. This is why the Grove City Chamber Foundation is such an important piece of the Grove City community as a whole.

In-Kind Donations

Did you know that you can support our scholarship fund with in-kind donations?

Volunteer

Your time is valuable to us and we appreciate volunteers that assist us throughout the year at our fundraising events, farmers market coffee table, being an ambassador....and more.

Donate to Silent Auction

Each year at our Annual Fundraiser we raise scholarship funds with our silent auction. Donating an item, tickets, gift basket, or gift certificate benefits our education fund.

Legacy

Your legacy can provide educational opportunities for generations to come. Consider a legacy (or planned gift) by creating a scholarship in your family name. Continuing your commitment to education in our community will make a positive impact for years to come.

Planned gifts of all sizes are important and will ensure that we can continue to offer educational scholarships in the future for the leaders of tomorrow.

Some Reasons to Become a Legacy Donor

- Economic freedom and security
- Takes the burden and potential conflict away from family members
- Peace of mind
- Reduce tax burden to you and your heirs
- Share your legacy with future generations
